Subject: Draft CSTAG Regional Responses

Hi Karl,

Attached please find our draft responses to the CSTAG recommendations. As I state in the memo, we are early in this process (pre-FS) as you already know, so most of our responses are in agreement with only a few explanation sentences. Please let me know if you require more information or explanations or if you have any comments/questions.

Also, thank you for your assistance with the 10.9 lessons learned/monitoring improvements.

Thanks

Diane Salkie
